

# All Darings Reunion 2021 and other FESR Ships

Hosted by HMAS Duchess Association

11 November, 2020

G'day Shipmates,

Due to an unfortunately timed foray with a surgeon and scalpel, and the impost of school holidays on my planned schedule to investigate Venues and Menus for our reunion next year, the promised newsletter planned for end December early January will unfortunately be about six weeks late, as in about mid February.

Apart from that, numbers are very good, and planning is proceeding well. The registrations of interest have topped 200 shipmates, and it is hoped a substantial number of partners and spouses will add to the total numbers.

Meanwhile, I wish each and all a peaceful and joyful Christmas and a better New Year than that given to us last year, particularly those of us RFS volunteers.

Yours Aye,  
Bowie
